FIELD ENFORCEMENT DIVISION  
REGULATORY AND LICENSING SECTION  
410-260-7314

**NOTICE TO RETAILERS**

If wine and/or distilled spirits have been delivered to a retail licensee by a wholesaler or manufacturer on or before the **PURCHASE DATE** indicated in Column I, and payment is not received by the wholesaler on or before the corresponding **DUE DATE** listed in Column II, then the retailer is considered by state regulation to be overdue. Retailers can avoid most problems associated with late mail deliveries by mailing remittances at least five (5) days before the specified **DUE DATES**.

Regulation 03.02.01.04 requires Maryland wholesalers and manufacturers who sell wine and distilled spirits to retailers to (1) report the retailer to the Licensing & Registration Unit for late payment (even if payment was received after the due date) and (2) simultaneously notify the retailer that a report has been submitted to the Licensing & Registration Unit. Reports and notifications must be made for all late payments. The Licensing & Registration Unit will determine whether or not the retailer is placed on the credit control list.

**'KETEL ONE BOTANICAL' TAKES A CUE FROM GIN**

The shift toward conscious living is real: 67% of Americans prioritize healthy or socially-conscious food purchases, according to a Nielsen survey. Ketel One Botanical is vodka infused with natural fruit and botanical essences: **Peach & Orange Blossom**; **Cucumber & Mint**; and **Grapefruit & Rose**. Made with 100% non-GMO grain and finished at 30% ABV, the spirit boasts no carbs, no artificial flavors, no added sugars, no artificial sweeteners and only 73 calories (40% fewer calories than a glass of white wine). "People care deeply about what they put in their bodies, which is why we care deeply about what goes into every bottle," explains Carl Nolet Jr. SRP \$24.99; 60 proof. [ketelonebotanical.com](http://ketelonebotanical.com)

The brand's "Best Seat in the House" sweepstakes runs thru 8/15; details at [bluechairbayrum.com](http://bluechairbayrum.com)

**BLUE CHAIR BAY KEEPS REINVENTING BEACH-FRIENDLY RUM**

Fresh off the smash debut of their Key Lime Rum Cream, Kenny Chesney's Blue Chair Bay Rum is marking the brand's fifth anniversary with a package redesign and another new flavor. The Vanilla, White, Coconut, Banana and Coconut Spiced flavors now sport glossy bottles (and Vanilla's new look is glossy brown, reminiscent of vanilla extract), while the rum creams retain the matte finish. Right on time for summer, new Pineapple Rum Cream makes a killer Piña Colada mixed 2:1 with Blue Chair Bay Coconut Rum; also delicious over ice. SRP \$18.99; 30 proof. **PACKAGE MAKEOVERS HERALD SUMMER!**

As summer approaches rapidly, brands continue shedding old designs for new...

**El Tesoro Tequila**  
A tahona stone closure highlights El Tesoro Tequila's commitment to the ancient method of crushing cooked agaves with a two-ton volcanic rock for maximum flavor.

**Suntory Whisky**  
In a global repackaging initiative, the House of Suntory created consistent, premium gift cartons for their whiskies, with updated verbiage and tasting notes on the back.

**Prairie Organic Spirits**  
Prairie Organic Spirits' package revamp includes a custom hammered design and wooden cork cap, and earth tones representative of organic sourcing.

**Finlandia Vodka**  
Finlandia Vodka, continues the brand's half-century tradition of ice-inspired bottle designs, adding a distinctive bottle shape with embossed imagery and an enhanced color palette.

**Absolut Vodka**  
After numerous city bottles, the latest limited edition goes national; and the brand will donate \$1 to Keep America Beautiful for every photo shared on social with #AbsolutAmerica.

### Atomium Premier Grand Cru

Made by one of the most advanced breweries in Belgium. Produced from 6 grains, making it one of the only 6 grain top fermented golden ales in the world. The brewmaster uses only the finest malted barley and hops that are designed for high temperature fermentation. Atomium is brewed with soft water from a private spring, which guarantees extraordinary purity. The zests of oranges from the island of Curacao and coriander seeds leave the beer lover with a full-bodied, balanced profile. 8% ABV.

Kenco is proud to represent the following craft breweries in Maryland:

## TALKIN TECH

# INSTA SUCCESS

## PUT THE VISUALS TO WORK FOR YOU

BY MARLENA HOFFMAN

As the world becomes more digital, an emphasis of visuals increases as well. Instagram helps businesses keep their digital presence current while emphasizing the power of visuals.

Instagram, once a platform built for broadcasting one's personal life, has expanded to include sponsored links, real-time stories and company profiles. It's a branding and promotional tool appropriate for every business.

### How Does It Work?

Simply take a picture of anything business-specific and eye-catching and upload it to your profile; create a relevant caption and use hashtags to show up in universal search feeds. Hashtags link you with people of similar interests or who are doing relevant searches. As you continue to post, your profile (and hopefully your followers) will grow. Other users also have the ability to tag your profile—they can mark their location or literally tag your business using the @ sign as a way of communicating. Anything eye-catching and brand-driven is considered an appropriate post—and if you're lucky, some will be reposted.

### Instagram Wherever & Whenever!

The beauty of Instagram is its accessibility. If you have a camera phone, you have the tools. Once you take a photo of anything representative of your business and you upload it to your account, you're able to adjust the image with editing tools provided by the app. This gives you the ability to post on-the-go. And as you will see from following others, you don't have to say a lot; a catchy image with a bit of context is what people expect on Instagram.

So, whether you're a liquor store promoting a Friday night in-store tasting, a restaurant showing off a cocktail or a wine/spirit brand with outstanding beauty shots, Instagram is a great way to quickly post content that will jump out at consumers. ■

We're always happy to have new followers—

There are many things you can do to promote your business on Instagram: Post a featured cocktail if you're a bar (left) or repost a new product from a brand you're selling in your store (right) and invite customers to join.

### COOPER & THIEF KEEPS SPIRIT-BARRELED WINE ROLLIN'

Cooper & Thief Cellarmasters is following up on their bourbon-barreled red blend with a wine aged in ex-tequila barrels. Yes, tequila. For another twist, the wine is not red but white. The 2016 Sauvignon Blanc is aged for three months in ex-Casa Noble Añejo tequila barrels; Cellarmaster Jeff Kasavan credits that treatment for aromatics reminiscent of a fine blue agave as well as a refreshing acidity and subtle heat, balancing citrus and spice with toasty vanilla flavors. SRP \$29.99; ABV 16.5%.

### IT'S 2018. WILL THE REAL CHARDONNAY PLEASE STAND UP?

That's a trick question. The many styles of ever-popular Chardonnay are not changing any time soon, so it's important to know what you carry. Among recent releases, for example, **Cupcake Vineyards** has added two 2016 offerings: Cupcake "Butterkissed" (SRP \$12.99) goes for the wine's decadent, buttery side; the Winemaker's Blend limited-edition (\$24.99) from the Monterey AVA aims for more vivid fruit as well as some serious wood. The fanciful **Plungerhead** label has added a \$14 2016 Unoaked Chardonnay, sourced from Lodi. The 2016 **Emblem** Chardonnay (\$35) marks Michael Mondavi Family Estate premiere voyage into the Petaluma Gap, a critically acclaimed sub-appellation of the Sonoma Coast AVA.

### CAN'T BEAT 'EM, CAN 'EM

Just after our April cover story hit, canned wines were popping up as if aluminum were contagious. Suppliers are clearly betting on consumers to accept that quality wine—not unlike craft beer—can be packed and transported and enjoyed perfectly well in cans. Some of the latest shiny new entries:

#### GRAB & GO:

Cans of wine that are 250ml or 187ml must be sold in packs; larger ones can be sold individually.

#### ◀ EUFORIA

El Euforia was created by Banfi as a harmonious blend of aromatic Pacific Northwest grapes, e.g., Muscat, Gewürztraminer, Chenin Blanc, Riesling. In White and Rosé, with colorful labels representing the wine's layering and diversity. 375ml; SRP \$5.99; national. [banfiwines.com](http://banfiwines.com)

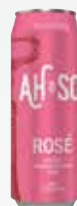

#### ◀ UNDERWOOD

The "canny" pioneers at Underwood have reprised their Riesling Radler (\$5.99, 3% ABV), infused with hops and grapefruit, which debuted last summer, and added a Pinot Noir-based Strawberry Cooler (\$6.99, 6.9% ABV), both in 12oz cans. [unionwinecompany.com](http://unionwinecompany.com)

#### ◀ MAN CAN

Man Can, claiming to be the first exclusive wine-in-cans company, has added (surprise?) a rosé to the portfolio of joining red, white and semi-sparkling "fizz". 375ml; \$4.99; 17 states. [mancanwine.com](http://mancanwine.com)

#### ◀ AH-SO

Say *ihola!* to Ah-So, the first "Vine to Can" wine from Spain. Made of 100% Garnacha, the Navarra rosé was hand-harvested and made using only free-run juice. \$19.99/four-pack of 250ml (8.2oz) cans; 22 states. [ahsowines.com](http://ahsowines.com)

#### ◀ BONNY DOON

Bonny Doon Vineyard, famously irreverent, has launched La Bulle-Moose de Cigare, a dry, fizzy pink wine composed of Rhône varieties (similar to the winery's Vin Gris de Cigare). Red and white in the works, too. 375ml; \$7.99; national.

#### ◀ AVA GRACE

Livermore, CA-based Ava Grace Vineyards, which debuted just last year, has released the brand's 2017 Rosé and 2017 Pinot Grigio in cans as well as bottles—perfect for outdoor summer activities. 375ml; \$4.99 [avagraceyards.com](http://avagraceyards.com)

# MARYLAND WINE

## MARYLAND WINE IS...

### GOOD FOR WINE LOVERS

Maryland's 85 wineries produce superb, handcrafted wines that compete with national brands, while highlighting all the benefits of buying local.

### GOOD FOR AGRICULTURE

Maryland wineries support (and grow!) over 800 acres of grapes throughout the state. Grapes are a long-term crop, preserving open space and encouraging land preservation.

### GOOD FOR TOURISM

Our industry attracts nearly 400,000 visitors annually to our wineries and wine festivals and events. These visitors spend their dollars at wineries, neighboring restaurants and accommodations.

### GOOD FOR MARYLAND

Our wineries provide employment and tax revenue, supporting Maryland's rural economy by creating jobs that create tourism, preserve land and encourage agriculture. Maryland's wineries create \$100 million in economic activity annually.

### JOIN THE CONVERSATION

Facebook and Twitter @MDwine and be a part of the growth of great local wine industry.

### DID YOU KNOW?

Did you know that only 3 out of every 100 bottles of wine sold in the state are bottles of Maryland wine. It's not a lot, but it's growing, and if you buy more local wine, you create more local jobs, grow more vineyards and help preserve our rural economy.

### JOIN MARYLAND WINE MONTH

We're promoting stores and restaurants that support Maryland wine during Maryland Wine month in March.

# STAR TURN

**EZRA STAR, GENERAL MANAGER, DRINK, BOSTON**

BY ALIA AKKAM

Since 2011, Ezra Star has been the general manager of Drink, acclaimed chef Barbara Lynch's cocktail bar in the Fort Point neighborhood of Boston.

**BEVERAGE MEDIA GROUP:** Drink has always eschewed proper menus, instead tailoring cocktails for each guest on the fly. How do you think this method has defined the bar?

**EZRA STAR:** We aim to break down the barriers between the bartender and guest. Our lack of menu lets this happen by forcing conversation. Our bartenders are trained to build trust with guests in their approach to finding the right drink. Our biggest challenge is to anticipate what our guests are going to ask for, and thinking a few steps ahead of them.

**BMG:** Obviously there is great know-how and creativity that you and your staff must exhibit to make this vision a success. What is the training process like?

**ES:** Our goal, first and foremost, is to throw a party and have a good time. To do this the team goes through years of training. It takes about two years to reach the position of bartender. We hold weekly trainings in wine, cocktails, and spirits, and monthly clinics to help with tech-

nique and improve guest communication. In addition, there are daily apprentice-oriented mentorships, one-on-one with senior bartenders. It is a long process, but by the end we are able to leave the training in the background so that we can connect with our guests.

**BMG:** With summer here, what are you most looking forward to weaving into the repertoire?

**ES:** We always have a special project—whether it's a syrup or vinegar—with fresh summer fruits and vegetables. Right now we have an amazing strawberry and rosemary mezcal cordial. ■

**How Long She's Been Bartending:**

"Since I was about 18. I am currently in my late 30s. I've worked in every kind of bar imaginable, from boats to dives to cocktails."

**Favorite Spirit:** "Brandy. Whether it is Cognac, Armagnac, Calvados or some eau de vie distillate from a small producer, it's just about the most delicious thing."

**Favorite Cocktail:** "A Sazerac or Mojito variation."

**If She Wasn't a Bartender She Would Be:** "A physician or an architect."

• **Baba Rum**

Deceptively simple, this drink's secret weapon is a homemade five-spice syrup, which delivers strong flavors to stand up to the high proportion of high-proof spirits.

**Ingredients:**

- 1½ oz Plantation Barbados Rum
- ½ oz Lemon Juice
- ¾ oz Five-Spice Syrup (drink makes its own)
- ¼ oz Scotch
- 4 dashes Absinthe (preferably Kübler white absinthe)
- Star Anise for garnish

**Method:** Shake with ice and strain into a chilled coupette or cocktail glass. Garnish with star anise.

# WEDDING BELLS CHIME ‘KA-CHING’

THE SEASON IS RIPE FOR GIFTS & ADVICE

BY ROGER MORRIS

Last year, when she was preparing for her wedding, Jenn Sanders decided to sign up for a bridal registry, but not the typical one at a department store for gifts of china, silverware and household accessories. Instead, Sanders chose a registry at the store where she is employed, Calvert-Woodley wine and spirits in Washington, DC, a special service the shop has been offering its clients since before Sanders went to work there seven years ago.

A bridal registry at a bottle shop?

“We received five cases of wine for our cellar from family and friends,” Sanders says proudly. “People are marrying later these days,” she points out, and many couples have already set up housekeeping before they tie the knot and thus need fewer household items. “Registering for wines or spirits gifts is a fun thing to do,” she adds, “and I think we could have more bridal business if we really advertised that we had a registry.”

Local wineries, especially on the East Coast, have long realized that wines and wedding bells make a great pairing, and over the past few years they have latched onto bridal events—from staging weddings in the vineyards to engagement parties at the winery—because today’s newlyweds are looking for more experiential venues to evoke richer memories than they might get at the family church or the neighborhood catering hall.

Carley Razzi Mack runs Penns Woods Winery in Chester County, PA, along with her father, importer Gino Razzi, who serves as winemaker. “We host maybe 10 to 20 bridal showers each year for up to 40 people each,” Mack notes they are not yet equipped for weddings due to the size of the facility and lack of indoor space. “But we still get at the very least five inquiries a week for bridal events,” she says.

Blanc de Bleu bubbly has proven a hit for both weddings and bridal showers.

**Join The Party**

For some reason, however, retail wine and spirits shops have been slow to get on the matrimonial bandwagon, even though a few have successfully done so.

“We’ve had success with our registry,” says Emma Goff of The Wine Cellarage, located in the Bronx in New York City, although she notes that a recent e-commerce platform change has slowed business down. “Customers created their own registry and were given a website link,” Goff says. Although some couples want to stock their bars with a selection of craft spirits, “most are looking for high-end wines in the \$50 to \$100 range,” says Goff. After the wedding, wines are shipped to the couple’s address.

New York-based Sokolin Wine Company also offers customers a variety of registry services including gift consultation, free announcement cards, free storage for six months and a 10% discount on registry items purchased up to three months after the event.

Wineries have become popular wedding venues; seen here, Penns Woods Winery.

Not surprisingly, rosé is a favorite for wedding photos.

Several stores that do not have registries still counsel their customers on sparkling wines to buy for the wedding toasts and appropriate wines to purchase for their receptions and dinners. One shop owner notes that the wedding caterer usually is in charge of the wine as well as the food, “therefore a useful strategy for a retailer is to cultivate caterers who do not have a liquor license themselves.”

For retailers who are interested in taking the plunge into the wedding world, here are some suggestions garnered:

- Before getting started, spend some time online seeing how traditional bridal registries such as those by Pottery Barn, Williams-Sonoma and Target are operated.
- If you think bridal registries might be too limiting, created a general gift registry for all occasions including graduations and other life events.
- Test the system to make sure all the bugs are out before you open it online.
- Have available two or three suggested gift lists at different price levels for newlyweds to choose from, but be ready to provide personal counseling as well.

And remind givers and recipients alike that quantities of bottles can be adjusted to suit budgets.

■ Encourage couples not to give guests too many choices, as that may prove as intimidating to non-aficionados as looking over a captain’s wine list at a three-star restaurant. After all, unlike blenders, you can’t get too many bottles of a second-growth Bordeaux or a super-Tuscan.

■ While having everything conducted online is great for distant guests, you might consider special incentives to get local customers, old or new, to visit your shop to make selections in hopes they will become regulars.

Of course, having a bridal registry in a wine and spirits shop may evoke some humor from the guests. “Naturally, we had people joke that they expected invitations to visit to help us drink the wines,” Sanders says.

But she also is looking forward to more-personal moments in future years. “Guests were able to write notes to go with their bottle gifts,” she says. “So we’re looking forward to opening bottles years from now and reading the notes. They will give us a lot of good memories.” ■
