**FIELD ENFORCEMENT DIVISION  
REGULATORY AND LICENSING SECTION  
410-260-7314**

**NOTICE TO RETAILERS**

If wine and/or distilled spirits have been delivered to a retail licensee by a wholesaler or manufacturer on or before the **PURCHASE DATE** indicated in Column I, and payment is not received by the wholesaler on or before the corresponding **DUE DATE** listed in Column II, then the retailer is considered by state regulation to be overdue. Retailers can avoid most problems associated with late mail deliveries by mailing remittances at least five (5) days before the specified **DUE DATES**.

Regulation 03.02.01.04 requires Maryland wholesalers and manufacturers who sell wine and distilled spirits to retailers to (1) report the retailer to the Licensing & Registration Unit for late payment (even if payment was received after the due date) and (2) simultaneously notify the retailer that a report has been submitted to the Licensing & Registration Unit. Reports and notifications must be made for all late payments. The Licensing & Registration Unit will determine whether or not the retailer is placed on the credit control list.

## MARYLAND WINE IS...

### GOOD FOR WINE LOVERS

Maryland's 85 wineries produce superb, handcrafted wines that compete with national brands, while highlighting all the benefits of buying local.

### GOOD FOR AGRICULTURE

Maryland wineries support (and grow!) over 800 acres of grapes throughout the state. Grapes are a long-term crop, preserving open space and encouraging land preservation.

### GOOD FOR TOURISM

Our industry attracts nearly 400,000 visitors annually to our wineries and wine festivals and events. These visitors spend their dollars at wineries, neighboring restaurants and accommodations.

### GOOD FOR MARYLAND

Our wineries provide employment and tax revenue, supporting Maryland's rural economy by creating jobs that create tourism, preserve land and encourage agriculture. Maryland's wineries create 100 million in economic activity annually.

### JOIN THE CONVERSATION

Facebook and Twitter @MDwine and be a part of the growth of great local wine industry.

### DID YOU KNOW?

Did you know that only 3 out of every 100 bottles of wine sold in the state are bottles of Maryland wine. It's not a lot, but it's growing, and if you buy more local wine, you create more local jobs, grow more vineyards and help preserve our rural economy.

### JOIN MARYLAND WINE MONTH

We're promoting stores and restaurants that support Maryland wine during Maryland Wine month in March.
