REGULATORY AND LICENSING SECTION

NOTICE TO RETAILERS

If wine and/or distilled spirits have been delivered to a retail licensee by a wholesaler or manufacturer on or before the **PURCHASE DATE** indicated in Column I, and payment is not received by the wholesaler on or before the corresponding **DUE DATE** listed in Column II, then the retailer is considered by state regulation to be overdue. Retailers can avoid most problems associated with late mail deliveries by mailing remittances at least five (5) days before the specified **DUE DATES**.

Regulation 03.02.01.04 requires Maryland wholesalers and manufacturers who sell wine and distilled spirits to retailers to (1) report the retailer to the Licensing & Registration Unit for late payment (even if payment was received after the due date) and (2) simultaneously notify the retailer that a report has been submitted to the Licensing & Registration Unit. Reports and notifications must be made for all late payments. The Licensing & Registration Unit will determine whether or not the retailer is placed on the credit control list.

INSTA SUCCESS

PUT THE VISUALS TO WORK FOR YOU

BY MARLENA HOFFMAN

As the world becomes more digital, an emphasis of visuals increases as well. Instagram helps businesses keep their digital presence current while emphasizing the power of visuals.

Instagram, once a platform built for broadcasting one's personal life, has expanded to include sponsored links, real-time stories and company profiles. It's a branding and promotional tool appropriate for every business.

How Does It Work?

Simply take a picture of anything business-specific and eye-catching and upload it to your profile; create a relevant caption and use hashtags to show up in universal search feeds. Hashtags link you with people of similar interests or who are doing relevant searches. As you continue to post, your profile (and hopefully your followers) will grow. Other users also have the ability to tag your profile—they can mark their location or literally tag your business using the @ sign as a way of communicating. Anything eye-catching and brand-driven is considered an appropriate post—and if you're lucky, some will be reposted.

We're always happy to have new followers—Find us **@bevmedia**

Instagram Wherever & Whenever!

The beauty of Instagram is its accessibility. If you have a camera phone, you have the tools. Once you take a photo of anything representative of your business and you upload it to your account, you're able to adjust the image with editing tools provided by the app. This gives you the ability to post on-the go. And as you will see from following others, you don't have to say a lot; a catchy image with a bit of context is what people expect on Instagram.

So, whether you're a liquor store promoting a Friday night in-store tasting, a restaurant showing off a cocktail or a wine/spirit brand with outstanding beauty shots, Instagram is a great way to quickly post content that will jump out at consumers. ■

To learn more about how Beverage Media can help with a website for your store visit BevSites.com, or contact Karli Del Rossi at 617-864-1677. Follow us on twitter at twitter.com/bevsites.

There are many things you can do to promote your business on Instagram: Post a featured cocktail if you're a bar (left) or repost a new product from a brand you're selling in your store (right) and invite customers to join.

THE THREE-TIER ALCOHOL DISTRIBUTION SYSTEM
WHY IT WORKS

For over 79 years, the beverage alcohol industry has successfully served consumers and communities by distributing wine, spirits and beer through a three-tier system of licensed suppliers, wholesalers and retailers. Every state established this system after the repeal of Prohibition in 1933. Designed to prevent the abuses that led to Prohibition, the three-tier system has created the most innovative, competitive and consumer-friendly system in the world today.

Because of the three-tier system, Americans have access to an astounding variety and selection of products in every category, at reasonable and dependable prices.

The three-tier system is the model of social responsibility. Suppliers, wholesalers and retailers all play a crucial role in providing outstanding choice and availability, while protecting the integrity and quality of alcoholic beverages.

The system creates a framework of regulations, which mandates responsibility and accountability in beverage alcohol distribution.

THE TIERS

1 **SUPPLIERS**
Producers of wine and spirits, such as wineries and distilleries, as well as importers.

2 **DISTRIBUTORS**
Intermediaries that purchase wine and spirits from suppliers to efficiently distribute to retailers.

3 **RETAILERS**
A variety of stores, as well as restaurants, bars, stadiums and hotels, that sell wine and spirits to consumers for consumption.

Consumers benefit from the three-tier system every day through lower prices and greater selection. Boutique distillers and wineries are able to get their products to a wider range of outlets, and small retailers have access to a greater variety of product at lower prices through wholesalers.

BENEFITS OF THREE-TIER REGULATIONS

- Efficiency in collecting taxes
- Preventing the sale of alcohol to minors
- Fostering and overseeing responsible competition
- Creating balance between and within the tiers
- Ensuring public safety
- Preventing the sale of counterfeit and dangerous or deadly products

Disrupting this regulated chain would have disastrous ramifications on public safety and marketplace stability.

Vertical integration would benefit only large-chain businesses. And while it might encourage lower prices on select, mass-marketed items through big-box stores, it will cost the consumer, other players in the market and state governments in the end. Prices will likely increase; retailers will be driven out of business; innovation will decrease; consumer choice will be limited; tax revenues will decline; state regulatory expenses will increase; and jobs will be lost.

MARYLAND WINE

MARYLAND WINE IS...

GOOD FOR WINE LOVERS

Maryland's 85 wineries produce superb, handcrafted wines that compete with national brands, while highlighting all the benefits of buying local.

GOOD FOR AGRICULTURE

Maryland wineries support (and grow!) over 800 acres of grapes throughout the state. Grapes are a long-term crop, preserving open space and encouraging land preservation.

GOOD FOR TOURISM

Our industry attracts nearly 400,000 visitors annually to our wineries and wine festivals and events. These visitors spend their dollars at wineries, neighboring restaurants and accommodations.

GOOD FOR MARYLAND

Our wineries provide employment and tax revenue, supporting Maryland's rural economy by creating jobs that create tourism, preserve land and encourage agriculture. Maryland's wineries create 100 million in economic activity annually.

JOIN THE CONVERSATION

Facebook and Twitter @MDwine and be a part of the growth of great local wine industry.

DID YOU KNOW?

Did you know that only 3 out of every 100 bottles of wine sold in the state are bottles of Maryland wine. It's not a lot, but it's growing, and if you buy more local wine, you create more local jobs, grow more vineyards and help preserve our rural economy.

JOIN MARYLAND WINE MONTH

We're promoting stores and restaurants that support Maryland wine during Maryland Wine month in March.
