# Some History Behind The Day

## Flag Day

*"That the flag of the United States shall be of thirteen stripes of alternate red and white, with a union of thirteen stars of white in a blue field, representing the new constellation."*

This was the resolution adopted by the Continental Congress on June 14, 1777. The resolution was made following the report of a special committee which had been assigned to suggest the flag's design.

A flag of this design was first carried into battle on September 11, 1777, in the Battle of the Brandywine. The American flag was first saluted by foreign naval vessels on February 14, 1778, when the Ranger, bearing the Stars and Stripes and under the command of Captain Paul Jones, arrived in a French port. The flag first flew over a foreign territory in early 1778 at Nassau, Bahama Islands, where Americans captured a British fort.

Observance of the adoption of the flag was not soon in coming, however. Although there are many claims to the first official observance of Flag Day, all but one took place more than an entire century after the flag's adoption in 1777.

The first claim was from a Hartford, Conn., celebration during the first summer of 1861. In the late 1800s, schools all over the United States

held Flag Day programs to contribute to the Americanization of immigrant children, and the observance caught on with individual communities.

The most recognized claim, however, comes from New York. On June 14, 1889, Professor George Bolch, principal of a free kindergarten for the poor of New York City, had his school hold patriotic ceremonies to observe the anniversary of the Flag Day resolution. This initiative attracted attention from the State Department of Education, which arranged to have the day observed in all public schools thereafter.

Soon the state legislature passed a law making it the responsibility of the state superintendent of public schools to ensure that schools hold observances for Lincoln's Birthday, Washington's Birthday, Memorial Day and Flag Day. In 1897, the governor of New York ordered the displaying of the flag over all public buildings in the state, an observance considered by some to be the first official recognition of the anniversary of the adoption of the flag outside of schools.

Another claim comes from Philadelphia. In 1893, the Society of Colonial Dames succeeded in getting a resolution passed to have the flag displayed on all of the city's public buildings.

Elizabeth Duane Gillespie, a direct descendant of Benjamin Franklin and the president of the Colonial Dames of Pennsylvania, that same year tried to get the city to call June 14 Flag Day. Resolutions by women were not granted much notice, however, and it was not until May 7, 1937, that Pennsylvania became the first state to establish the June 14 Flag Day as a legal holiday. Flag Day is a nationwide observance today, but Pennsylvania is the only state that recognizes it as a legal holiday.

Bernard J. Cigrand, a school teacher in Waubeka, Wisconsin, reportedly spent years trying to get Congress to declare June 14 as a national holiday. Although his attempts failed, the day was widely observed. "Father of Flag Day" honors have been given to William T. Kerr, who was credited with founding the American Flag Day Association in 1888 while still a schoolboy in Pittsburgh, Pennsylvania.

Both President Wilson, in 1916, and President Coolidge, in 1927, issued proclamations asking for June 14 to be observed as the National Flag Day. But it wasn't until August 3, 1949, that Congress approved the national observance, and President Harry Truman signed it into law.

### 2022 SCHEDULE OF PURCHASE PERIODS & DUE DATES

**FIELD ENFORCEMENT DIVISION  
REGULATORY AND LICENSING SECTION  
410-260-7314**

#### NOTICE TO RETAILERS

If wine and/or distilled spirits have been delivered to a retail licensee by a wholesaler or manufacturer on or before the **PURCHASE DATE** indicated in Column I, and payment is not received by the wholesaler on or before the corresponding **DUE DATE** listed in Column II, then the retailer is considered by state regulation to be overdue. Retailers can avoid most problems associated with late mail deliveries by mailing remittances at least five (5) days before the specified **DUE DATES**.

Regulation 03.02.01.04 requires Maryland wholesalers and manufacturers who sell wine and distilled spirits to retailers to (1) report the retailer to the Regulatory and Licensing Section for late payment (even if payment was received after the due date) and (2) simultaneously notify the retailer that a report has been submitted to the Regulatory and Licensing Section. Reports and notifications must be made for all late payments. The Regulatory and Licensing Section will determine whether or not the retailer is placed on the credit control list.

# MARYLAND WINE

## MARYLAND WINE IS...

### GOOD FOR WINE LOVERS

Maryland's 85 wineries produce superb, handcrafted wines that compete with national brands, while highlighting all the benefits of buying local.

### GOOD FOR AGRICULTURE

Maryland wineries support (and grow!) over 800 acres of grapes throughout the state. Grapes are a long-term crop, preserving open space and encouraging land preservation.

### GOOD FOR TOURISM

Our industry attracts nearly 400,000 visitors annually to our wineries and wine festivals and events. These visitors spend their dollars at wineries, neighboring restaurants and accommodations.

### GOOD FOR MARYLAND

Our wineries provide employment and tax revenue, supporting Maryland's rural economy by creating jobs that create tourism, preserve land and encourage agriculture. Maryland's wineries create 100 million in economic activity annually.

### JOIN THE CONVERSATION

Facebook and Twitter @MDwine and be a part of the growth of great local wine industry.

### DID YOU KNOW?

Did you know that only 3 out of every 100 bottles of wine sold in the state are bottles of Maryland wine. It's not a lot, but it's growing, and if you buy more local wine, you create more local jobs, grow more vineyards and help preserve our rural economy.

### JOIN MARYLAND WINE MONTH

We're promoting stores and restaurants that support Maryland wine during Maryland Wine month in March.
