# 2024 SCHEDULE OF PURCHASE PERIODS & DUE DATES

Alcohol and Tobacco Commission  
Regulatory and Research Section  
410-260-7314

## NOTICE TO RETAILERS

If wine and/or distilled spirits have been delivered to a retail licensee by a wholesaler or manufacturer on or before the **PURCHASE DATE** indicated in Column I, and payment is not received by the wholesaler on or before the corresponding **DUE DATE** listed in Column II, then the retailer is considered by state regulation to be overdue. Retailers can avoid most problems associated with late mail deliveries by mailing remittances at least five (5) days before the specified **DUE DATES**.

Regulation 03.02.01.04 requires Maryland wholesalers and manufacturers who sell wine and distilled spirits to retailers to (1) report the retailer to the Regulatory and Licensing Section for late payment (even if payment was received after the due date) and (2) simultaneously notify the retailer that a report has been submitted to the Regulatory and Licensing Section. Reports and notifications must be made for all late payments. The Regulatory and Licensing Section will determine whether or not the retailer is placed on the credit control list.

## MARYLAND WINE IS...

### GOOD FOR WINE LOVERS

Maryland's 85 wineries produce superb, handcrafted wines that compete with national brands, while highlighting all the benefits of buying local.

### GOOD FOR AGRICULTURE

Maryland wineries support (and grow!) over 800 acres of grapes throughout the state. Grapes are a long-term crop, preserving open space and encouraging land preservation.

### GOOD FOR TOURISM

Our industry attracts nearly 400,000 visitors annually to our wineries and wine festivals and events. These visitors spend their dollars at wineries, neighboring restaurants and accommodations.

### GOOD FOR MARYLAND

Our wineries provide employment and tax revenue, supporting Maryland's rural economy by creating jobs that create tourism, preserve land and encourage agriculture. Maryland's wineries create 100 million in economic activity annually.

### JOIN THE CONVERSATION

Facebook and Twitter @MDwine and be a part of the growth of great local wine industry.

### DID YOU KNOW?

Did you know that only 3 out of every 100 bottles of wine sold in the state are bottles of Maryland wine. It's not a lot, but it's growing, and if you buy more local wine, you create more local jobs, grow more vineyards and help preserve our rural economy.

### JOIN MARYLAND WINE MONTH

We're promoting stores and restaurants that support Maryland wine during Maryland Wine month in March.

## IN MEMORY OF WILLIAM SLONE

BY BEVERAGE MEDIA EDITORS

**W**e were saddened to share recently that Beverage Media Group's former chairman, William "Bill" Slone, passed away in April 2024. Bill was an instrumental force behind Beverage Media Group's establishment and growth, fostering a strong culture within the company and developing many industry relationships.

Bill joined Beverage Media Group in 1965, nearly 30 years after his father Max Slone and uncle Phil Slone first launched the publication (known at its inception as *Bar & Grill Journal*). He worked in marketing and advertising sales to suppliers and succeeded his father as president and CEO when Max retired in 1988. This marked a period of growth for Beverage Media Group as the company acquired many state-specific beverage trade publications, including *New Jersey Beverage Journal*, *Southern Beverage Journal*, and *Pennsylvania Observer*.

In the 1990s and 2000s, Bill worked to strengthen Beverage Media Group further by improving communications among the publications and launching new, tech-savvy editorial and marketing products. During this time, Bill also worked alongside the next generation of the Slone family: his daughter Jody Slone Spitalnik, joined Beverage Media Group in 1995.

Bill was a member of the board of directors for the Sky Ranch Foundation,

and he served as the co-chairman of the executive committee for the UJA Federation of New York's Wine and Spirits Division. In June 2017, Bill was honored with the UJA Federation's Lifetime Achievement Award.

Bill developed a wonderful culture at Beverage Media Group, hiring many employees who ultimately spent their entire careers there. He worked at Beverage Media Group for over 50 years, and attended countless industry dinners, tastings, and events. He lived, worked, and led by example with a simple notion that "showing up was what mattered most."

Throughout his decades-long tenure, Bill was unwavering in his commitment to and passion for the beverage industry, and we are determined to continue carrying forward that spirit and vision today. ■
